Peter Birchler

Economics B.Sc. (UZH) — empirical research, data analysis, writing

Zurich

www.brchlr.ch

EDUCATION

Sept 2022 — expected July 2027
University of Zurich

B.Sc. in Economics

Bachelor's thesis completed; one remaining course.

2026

Bachelor's Thesis — *Detecting Collusion in Swiss Meat TRQ Auctions*

Compared two structurally identical Swiss import-quota auctions that show persistently divergent price levels, using a Kolmogorov–Smirnov test on the distribution of firms' market-share changes to screen for coordinated bidding. Found no statistical evidence of collusion; the price gap is explained by quota under-fill.

2021
Zurich

Matura

MNG Rämibühl

EXPERIENCE

July — December 2023
University of Fribourg

Tutor & Research Assistant

Faculty of Management, Economics and Social Sciences

Hand-collected archival data for a research project: reviewed *Amtsbücher* from several Swiss cantons and coded the type and title of every legislative change over a 50-year period.

August 6 — 9, 2026
Zuoz

Waitstaff

Concours Hippique Zuoz

Temporary hospitality and service role during the 2026 equestrian tournament.

WRITING & RESEARCH

Ongoing

Moderator & Quality Contributor

Efficiently Assigning Bogey Teams

Analysed the design of the 2025 Counter-Strike Blast Bounty tournament, where lower-rated teams could pick their opponents. Showed how the tournament's own matchmaking rule fails to maximise organiser utility, and derived a mechanism that does.

SKILLS & DOMAIN KNOWLEDGE

Methods	Econometrics · statistical screening · data collection and cleaning · technical writing
Software	Python · Stata · R · LaTeX · MS Office
Areas of Expertise	Cartel and collusion literature, with a focus on empirical detection and screening methods · Swiss and international tariff-rate-quota regimes
Languages	German (native) · English (native) · French (conversational)
Interests	Chess · Reading · Football · Basketball
